<p>Buyer:</p> <p>CERTIFICATE OF CONFORMANCE: These materials and/or parts were produced in conformance with all contractually applicable specifications as referenced in, or furnished with, the above Purchase Order. The materials and/or parts furnished under the above Purchase Order were produced from materials for which ATRENNE has available for examination chemical and/or physical test reports or other evidence of conformance to applicable specifications. All processes required for the production of these parts were performed by a facility of personnel specifically approved or certified by ATRENNE when such approval or certification is required by an applicable specification. ATRENNE has established a system which provides for the selection, evaluation, approval, maintenance, calibration and control of all measurement standards, gages, measuring and test equipment necessary to determine conformance with specification, drawing and contract requirements. (Standards traceable to NBS). If required, all material in this shipment is compliant with DFARS 252.225-7014 ALT 1. ATRENNE also certifies, to the best of its knowledge and belief, that the materials supplied contain no mercury or mercury compounds.
